

ABOUT THE OWL AWARDS

The Outstanding Women Leaders Awards (OWL) was implemented in 1997 to support and acknowledge women who start their own businesses. The event gives tribute to top achievers among women entrepreneurs and corporate leaders who have advanced the status of entrepreneurial excellence and community leadership.

The first of its kind in the mainstream, the OWL Awards has emerged as one of the most anticipated awards events in the Sacramento region, attracting more than 200 participants each year including government officials, media, non-profit and community leaders.

The OWL Awards are given to women in 7 categories:

- ***Women on the Way Award** (Less than 5 years in business)
- ***Woman Innovator Award** (Successful business owner in a non-traditional business)
- ***Luminary Award** (An individual/organization lighting the way for others)
- ***Executive Woman Award** (Senior level corporate woman)
- ***Visionary Award** (An organization/individual who provides opportunities for women)
- ***Wise Woman Award** (Business woman of the year)
- ***Achievement Against All Odds** (Success despite unfavorable circumstances)

We appreciate your consideration in sponsoring our event.
